

Consulting

I can provide Management Consulting services for mental health professionals:

I have over 30 years of experience in the mental health field. The past ten years I have had a successful private practice. I provide consulting services to help you establish a **successful** private practice of your own, focusing on these areas.

- Starting up your own mental health private practice
- Business plan writing
- Here is an outline for writing a [Business plan for a start-up practice](#)
- How to build up your private practice
- Strategic planning
- Best practices for independent mental health providers
- Hipaa compliance
- Clinical supervision and mentoring

I provide the following Consulting Services for non-profit organizations:

My managerial experience in non-profit work has given me expertise in the following areas of non-profit management consulting.

- Board development
- Strategic planning and analysis
- Grant writing
- Management coaching
- Establishing measurable outcomes
- Grant writing
- Fund raising
